

# Welcome & Introductions

Chair: Roger Latham

Nottinghamshire County Council

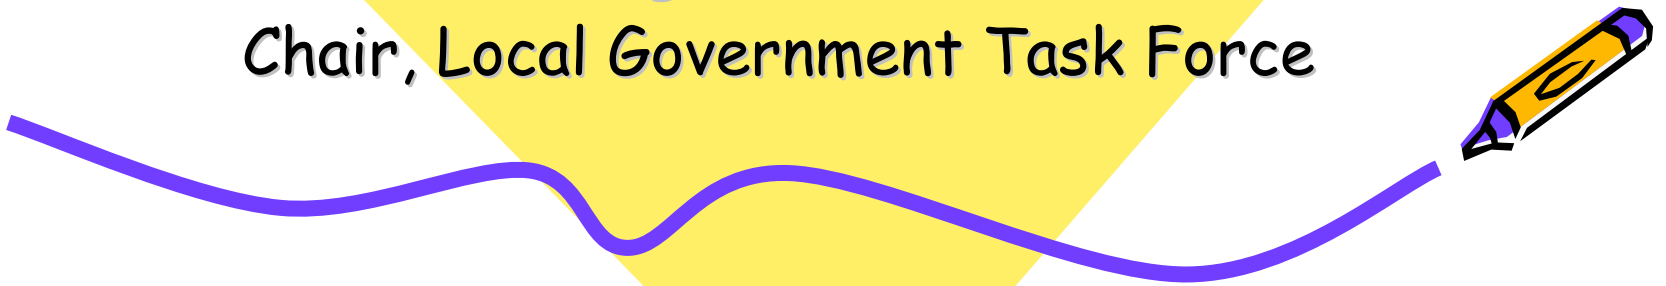

**CONSTRUCTING  
EXCELLENCE**

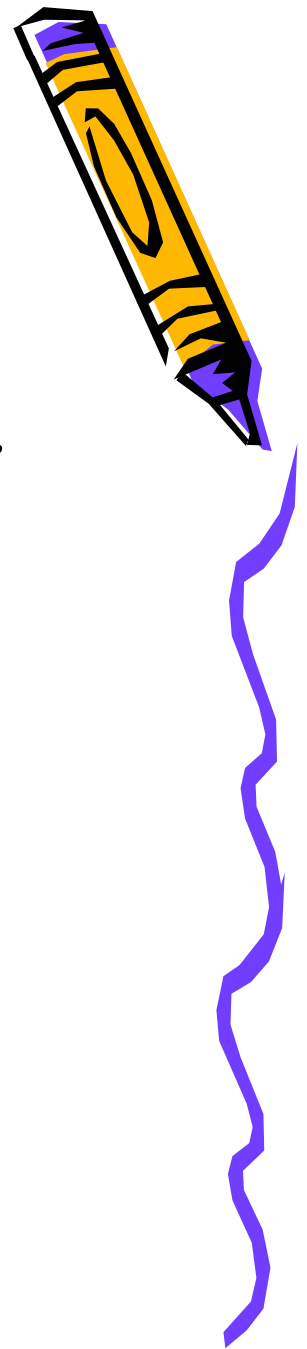

# Excellence in Construction 2006

Roger Latham  
Chair, Local Government Task Force

# What do we hope to cover?

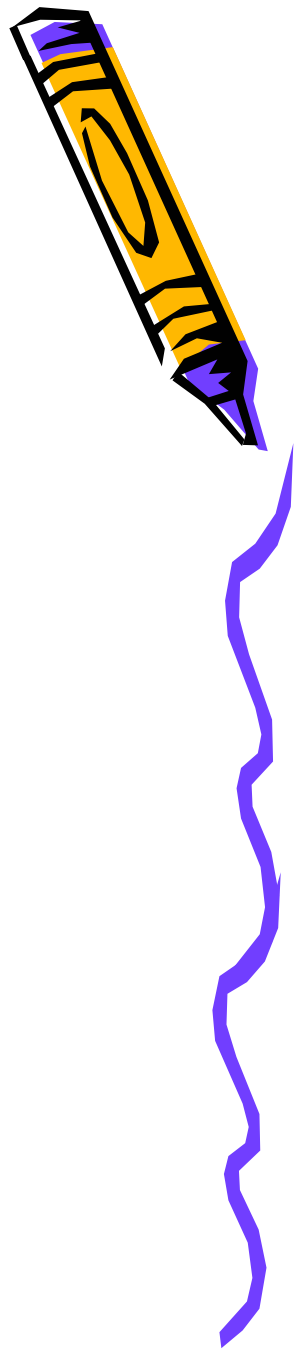

- What's happening nationally on the construction agenda
  - LGTF
  - RCE's
  - Policy & frameworks
- Sharing good practice
  - Demonstration projects
  - New ideas
  - What works

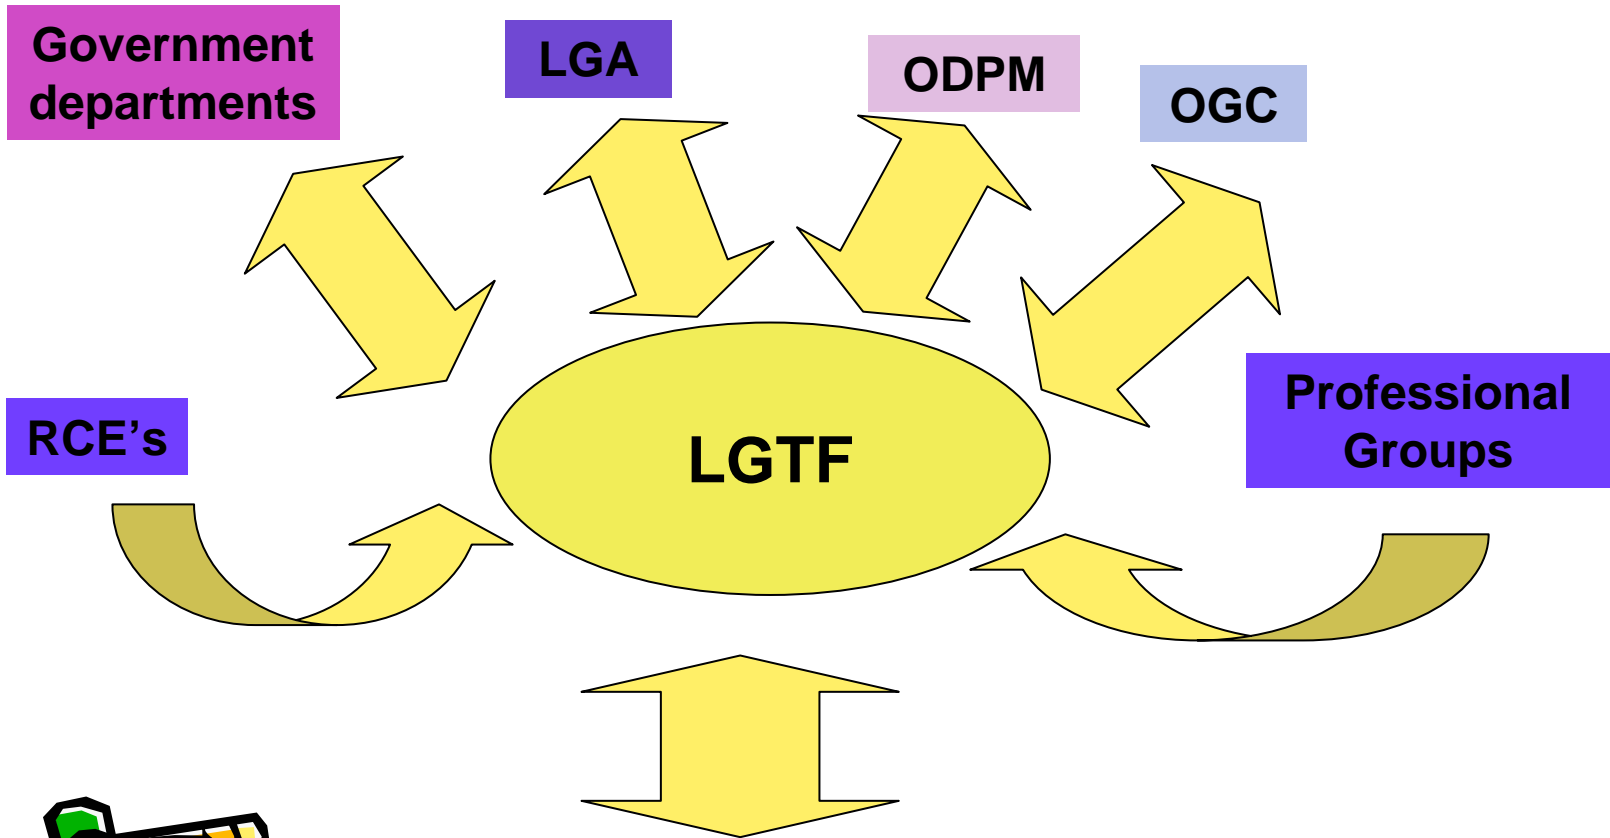

# The Big Picture

- Constructing Excellence
  - Is it still valid?
  - Pilot to mainstream
  - The "Heineken factor"
- Challenges to change
  - Keeping the CE families together
  - Adding value - consultancy & advice
  - The voice of improvement

# Local Government Task Force - Vision

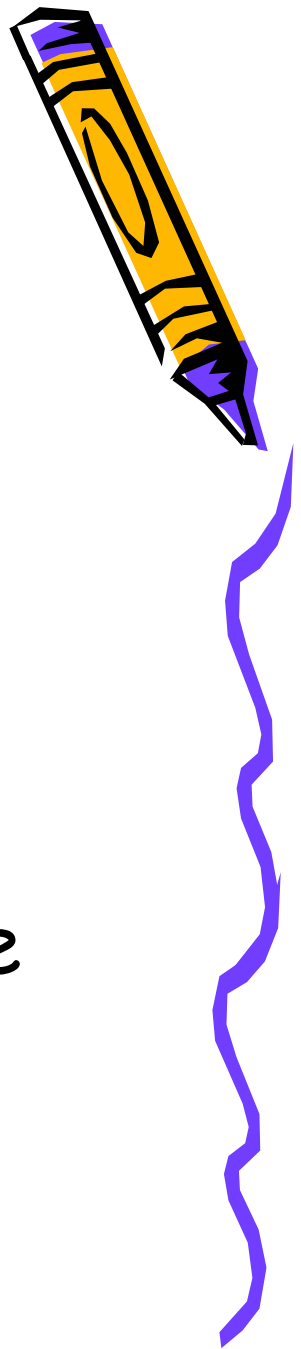

Local Government

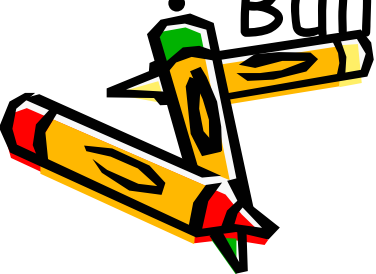

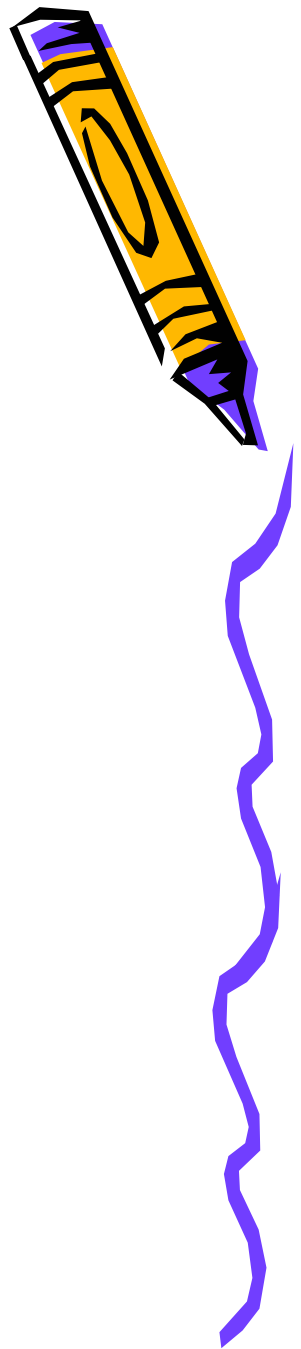

# Future plans - LGTF

- Medium Term action plan
  - Frameworks
  - Alternative vehicles
  - Sustainability
  - Fair Payments
- Refreshing the representative role
- Adding value

# Challenges for Construction

- An orderly market
  - Deal streams
  - Efficient models
- Paying for construction
  - Accounting for capital
  - Whole life costs
  - Efficiencies
- Building for the future

# Excellence in Construction Conference

**CONSTRUCTING EXCELLENCE IN THE BUILT ENVIROMENT**
